## REPORT APC-080, ABSENT PARENT CIS MATCH

Tapes created from standard and special search requests are matched against active CIS records based on social security numbers. When an absent parent record is located on the CIS file, the match is reported on the APC-080.

## REPORT FORMAT/ SAMPLE

## APC-080 DESCRIPTION

| Item | Description |
|------|-------------|
| Run Date | The date the report was printed. |
| Request Identification | Information in this area of the report identifies the requestor, county and district from standard search requests or the batch for special search requests. |
| Absent Parent Name | The name of the absent parent on the standard or special search request and the CIS data base. |
| Birthdate | The absent parent's birthdate on the special search request and CIS data base. |

| | |
|---|---|
| Social Security No. | The absent parent's social security number on the standard or special search request and CIS records. |
| FIA Case Number | The case number on the special search request or the case number or name from the standard search request and the number of the FIA case with which the absent parent is associated on CIS. |
| County | The two digit number identifying the county of the requestor and the county where the absent parent's FIA case record is located. County codes are listed in Appendix 2. |
| District | The two position alpha or numeric code identifying the requestor on standard search requests. |
| Requestor | A letter code identifying the source of the request from the standard or special search request. |
| Case Address | The address listed on CIS for the case with which the absent parent is associated. |
| Recipient Status Code | The absent parent's status for department programs which may be active under the specified FIA case number. Programs are identified by two letter codes as described below. "Yes" listed under the program code means the absent parent is active for the program; "No" means he/she is not active for the program. |

- PA  - Public Assistance includes Aid to Dependent Children and/or Medical Assistance

- FS  - Food Stamps

- G    - State Family Assistance or State Disability Assistance

- CC  - Crippled Children

- SH  - Special Hospitalization

- SV  - Services
